November 2011

Dear family and friends,

Since 2001, Cornerspring Montessori School has held this graceful philosophy at its core. Each child from preschool through 6<sup>th</sup> grade is honored and respected, their individuality and imagination celebrated, fostering compassionate and proactive individuals within their community. This is accomplished through understanding the child, and offering learning as peaceful and purposeful experience.

Cornerspring Montessori is an independent school, and as a non-profit organization, we rely upon philanthropic support for projects, programs and especially to make as much tuition assistance available as possible. Please consider a donation in support of our school. Your thoughtful gift will go towards:

- Enrichment Programs (such as art, music, foreign language, cultural studies, literacy programs)
- Supplies and Classroom Materials
- Operational Costs

It is also possible to donate much needed items for the classroom! If you would like to donate an item instead of making a monetary gift, please contact Chris at 207-338-5800.

“... quote from parent, like, I give because I have seen the beauty of my child bloom at cornerspring...”

Help us reach our goal of \$25,000.00! We at Cornerspring are grateful for your support. All contributions are tax-deductible.

Thank you for your time and consideration,

Paula Johnson, Director
