

Cornerspring Montessori Parent Participation Opportunities

The involvement of parents in our school is a key ingredient in being able to offer a rich, rewarding and stimulating experience for your children. Your participation not only enables us to provide a variety of skills and talents to enrich our program, but signals to your children that their school and their education are a valuable part of your family's life.

Attached is a list of ways to become involved and help our school community. Please review the list and check off areas of interest or support you can provide. If you think of other ways you might be able to help please contact Chris, Anna or your child's teacher with your ideas.

Thank you for any support you can give to help make this a wonderful school community.
