Re: Swimming at the YMCA Pool/City Park Pool

As part of our summer day camp programs older campers will enjoy swimming at either the Waldo County YMCA pool or the outdoor pool at the City Park. On that day campers will walk down to the YMCA to enjoy free swim. During inclement weather, there may be a need for driver's, so please let us know if you will be available to shuttle children during that time. Please be sure to complete the permission slip below and return it with your other camp forms so we can prepare for staffing.

We will notify parents at the beginning of each camp week when swimming may take place. On those days, campers will need to bring a bathing suit, towel and any swim necessities they may use such as (goggles).

If you have any questions concerning this, please contact the school. Thank you.
