

SUMMER CAMP WEEKLY THEMES  
3-6 YEAR OLD CAMP

**Week # 1 June 29-July 3**

**Space**

Come take a journey with us into outer space as we travel to various planets within our solar system in our very own make shift space shuttle. Campers will learn interesting facts about the planets and objects in the sky through activities, games, puzzles, stories, songs and projects. We will be visiting the Northern Stars Planetarium inflatable dome to get a closer look space. It is sure to be a fun adventure for aspiring astronauts.

**Week # 2 July 6-10**

**Science**

This week is sure to be full of wacky, interesting, and icky science fun! Our young amateur scientists will conduct mini experiments of various kinds and investigate some you can actually eat the results of. There will be a new activity each day that is sure to spark interest in our young scientist's minds.

**Week # 3 July 13-17**

**Gone Camping**

This week campers will enjoy backyard camping on our wooded playground and inside our classroom. Campers will learn lots of games, camp songs and stories about the outdoors and our backyard wildlife. The classroom and playground will resemble that of a camping spot with tents and imaginary fishing fun. Campers will have fun creating nature and science projects and even put together some yummy camping snacks for an end of week picnic.

SUMMER CAMP WEEKLY THEMES  
3-6 YEAR OLD CAMP

**Week # 4 July 20-24**

**Dinosaurs and Fossils**

From small to large; flyers to land walkers; plant to meat eaters - this week is sure to bring out the paleontologist in all of us. Campers will enjoy the study of the different dinosaurs of each era. We will enjoy our own digs and discover our own fossils. There will be many projects and activities, books, games and puzzles surrounding these extinct creatures.

**Week # 5 July 27-31**

**Art Week**

This is one of our most popular summer camp themes so hurry it fills fast. Our young artist friends will be introduced to different art projects such as collages, color mixing, painting to music, drawing with chalk and many other artistic mediums. Campers will also learn about a few famous artists and practice similar styles of art. We will end our week by displaying our art in a mini art show fashion for parents and children to enjoy.

**Week # 6 August 4-8**

**Community Helpers**

This week campers will be introduced to many of the helpers within our communities such as doctors, nurses, firefighters, to name a few. Campers will have fun learning about these very important helpers with dress up, books, art projects, puzzles, and games. We will be visited by special guests during the week that will bring their equipment and teach us about their jobs.
