#### Sgt. Peppers Lonely Hearts Club Camp!

Picture yourself in a boat on a river, with tangerine trees and marmalade skies! Inspired by the Beatles epic, this week we'll get creative in every way possible: puppets, music-making, video, acting, costumes, sets, photo shoots, games and more! In addition to going deep with the SPLHC songs, lyrics and album art, we will get schooled in Beatle-mania!

Playing records, watching Fab Four footage, dance breaks, jam sessions...our trip concludes with a performance you don't want to miss.
